

NOW OFFERING GTA WAREHOUSING & MOBILE STORAGE

SHORT AND LONG-TERM WAREHOUSING SOLUTIONS

As a value added service to our customers, we are happy to provide 5,000 - 20,000 sq. ft. of warehousing space. With decades of transportation experience under our belt, warehousing was the logical next step to providing a full suite of comprehensive and flexible freight solutions. Located adjacent to Canada's major highways in Brampton, ON, this fully secured and monitored facility provides you with great accessibility and convenience. Forbes-Hewlett has the capacity to store your dry commodities at large or small volumes for the short or the long-term.

NEED STORAGE BROUGHT TO YOU?

To assist with seasonal peaks or excess inventory, we are pleased to now offer Mobile Storage Solutions. Within the Greater Toronto Area, we will deliver and drop off a 53' trailer at your location. Whether you need one trailer for two months or three trailers for six months, we can help tailor a solution to expand your capacity for as long as you need it. All Forbes-Hewlett trailers are kept in great condition and provide the secure storage you demand with the mobile convenience you love.
